

Suggested Use

As a dietary supplement, take one (1) capsule twice a day with 10 oz. of water. For acute symptoms take one capsule (1) three times a day, or as directed by your health professional.

Caution: Initially monitor sugar levels more often as they may drop accordingly with dosage.

KEEP OUT OF REACH OF CHILDREN

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult a doctor if any adverse reactions occur.
